MESSAGE

AMERICA

What is America ?

I recently asked some parishioners what the essence of America was....

A common response was freedom.

That Americans have valued the freedom to determine their life and how to live it. In fact, most of the original colonists came over seeking religious freedom. But it wasn't religious freedom as we understand it today since each colony had its own church and the members of that colony were expected to follow exclusively that faith.

The Judeo-Christian tradition is certainly at the root of our country as a nation.

We know that historically this tradition resulted in Jesus the one we call the Christ or the Messiah.

I can't help but wonder if the fruit of the presence of Christ in our communities, our churches, and our country can't be made more known by Christians in our land?

The love that Christ represented should shine in our land as force that strengthens and lifts us all up. It is a love that does more to bind and unify than separate.

Even if everyone does not believe in Christ - his love is a universal and powerful force for the good of all.

Thus may it be!

May God bless you all !

Fr Rob

MENDO SPIRITUAL SONG FESTIVAL HAPPENING THIS FRIDAY AT 6:30PM AT ST ANTHONY'S HALL

We are happy to announce the first annual Mendo Spiritual Song Festival occurring this Friday evening.

Performers will include our own Makenna Russell performing songs of her own composition. Lauren Elio as well as Sally Wells and Deep Waters will also be performing. Our own Bob Arangueren plays tenor sax with Deep Waters. All the musicians are local and will be performing their own works. Admission is free and appetizers will be served. It takes considerable effort to put on these events - I would hope that you make an equal effort in trying to attend them. We are truly blessed with some incredible talent here locally. Fr Rob
