## MESSAGE

We begin this Advent with the joyful expectation of the coming of the Lord! It is interesting however that today's Gospel speaks of the end of time.

We prepare for the Lord's coming by doing the good that lies before us and by becoming that person He has meant each of us to be.

Each day of our lives should bring us closer to Christ.

Each day we should pray and recognize our God as our Creator, our Heavenly Father as our Provider, Jesus as our Brother and Savior and the Holy Spirit who accompanies us and helps us to live life to its fullest.

This Advent I hope would be a time for you to renew or reinforce connecting daily with God in the way that works best for you. He is there waiting for you. Waiting to connect with an old friend.

May God bless you !  
Fr Rob
