

Saint Anthony's

3rd Sunday of Easter - Divine Mercy Sunday

April 14th 2024

MESSAGE

A young Christian on a recent podcast noted that while it is easier to think of the resurrected Jesus as being far off in the heavens, it is more difficult to imagine him sitting across the table from us enjoying a morning cup of coffee!

To prove the reality of his Resurrected body in today's Gospel, Jesus picks up a roasted fish before the eyes of his apostles and eats it!

Sometimes it is easier to accept an idea or concept when it is broad and general than when it hits close to home.

What is the concrete reality of Jesus in our lives? Is it easy for us to pray to him often each day and invite him into our lives? Can we imagine him being physically present before us or beside us?

This will be the topic of today's sermon: How do we include God and especially Jesus into our lives?

As we grow closer to Jesus may we also grow closer to his Spirit in whom we have the fullness of life.

May God bless you all

Fr Rob

Next week's Sunday movie: *The Mission*

Sweeping and visually resplendent, The Mission is a powerful action epic about a man of the sword (Robert De Niro) and a man of the cloth (Jeremy Irons) who unite to shield a South American Indian tribe from brutal subjugation by 18th-century colonial empires. It reunites key talents behind The Killing Fields: co-producer David Puttnam, director Roland Joffe and cinematographer Chris Menges. Winner of the 1986 Cannes Film Festival Best Picture Award, the film earned seven Academy Award nominations (including Best Picture) and won a Best Cinematography Oscar. Robert Bolt's thoughtful screenplay and Ennio Morricone's rich score won Golden Globe Awards. The Mission is screen storytelling that weaves a haunting spell.
