

Saint Anthony's

16th Sunday in Ordinary Time

July 21st 2024

MESSAGE

Music was always an important aspect of our household growing up. Our mother who only had a secondary level of formal education had a great love of music. She herself played piano and also the organ for Sunday Mass. She also wanted to inculcate a spirit of music in her children. She had me take piano lessons from my eldest sister Judy when I was only five years old. Judy was just back home after spending the summer at the Mozarteum in Salzburg. She was quite a perfectionist and wouldn't let me skip over any of the hard parts in the music! As a young 10 year old Judy fell in love with music after seeing the Opera Carmen on a school field trip. She went to make a career out of music and is visiting here for the Music Festival from Norman, Oklahoma. It is with these thoughts at I engage our first and hopefully annual Sacred Music Concert this Sunday at Noon. Come experience the divine music that moves the spheres! And may God be blessed for all His beauty!

The Nation Eucharistic Conference finishes this Sunday in Indianapolis - please pray it brings much fruit to our country!

The National Eucharistic Revival movement is the joyful, expectant, grassroots response of the Church in the United States to the divine invitation to be united once again around the source and summit of our faith in the celebration of the Eucharist. Through the Eucharist, God desires to heal, renew, and unify the Church and the world. We believe God wants to do something NEW in the Church. By the power of Jesus in the Eucharist, we believe we stand on the precipice of revival. But revival is not something that WE do. It is a sovereign act of God in response to the prevailing prayers of his people. Join us in praying for revival with the Holy Spirit inviting you to open your heart to the renewal God desires.

"For he is our peace, he who made both one and broke down the dividing wall of enmity, through his flesh!"
