14th Sunday in Ordinary Time

July 7th 2024

MESSAGE

He was amazed at their lack of faith - since he was unable to do any great deed there...

Sure Jesus is all powerful but that power has to be received somewhere. In a certain sense it has to have somewhere to go! The reception of his power depends upon the good will of men and women. They have to make space in their hearts to receive that power. If people don't believe and don't have faith, they don't make space in their hearts to receive the power and be healed.

Our God is a God of Love - he doesn't force things, he doesn't control. He's not going to force himself into places where he is not wanted. Therefore, again in a certain sense, the good that he can do depends upon us! This is one reason why we have to be attentive to be his willing partners and strive to extend God's kingdom of love upon this earth!

May God bless you all in this endeavor !
Fr Rob

Mendocino Music Festival is coming

The Mendocino Music Festival is coming up in a week's time! Over the years I've come to realize how involved St Anthony's is in the Festival. Parishioners have played key roles as volunteers in making it a success. Also last year, I counted five or six of the concerts sponsored by those who attend St A's. This year I feel my participation will be greater than ever by volunteering, attending concerts and hosting musicians. My eldest sister Judith will be coming from Oklahoma for a week to attend the Festival. She has been a lifelong piano teacher, teacher of music history and theory in a local college and studied music at a graduate level herself. When I showed her last year's program she was very impressed and wanted to be sure and attend this year!

for power is made perfect in weakness."*
