

# Saint Anthony's

Solemnity of Christ the King

November 26th 2023

## MESSAGE

As evidenced by today's reading, there is a deep connection in the Bible between the notion of a king, a shepherd and a father. A king was considered to be the shepherd of his flock. He's one who should keep all the sheep together and going in the right direction ! Knowing sheep and knowing people, he would also want to have ideally their consensus and their collaboration. The shepherd is also a father who carries the weight of the family on his shoulders. For his concern and care of family matters and individuals, respect and honor should be returned.

We have in Jesus a great king who is also shepherd of the flock and who loves us very dearly.

On this day we honor Jesus as Christ the King of the Universe. May He also be a Prince of Peace and a source of consolation for many suffering souls.

May God bless you all this Holiday Season !

Fr Rob

For November, Pope Francis asks  
the faithful "Pray to the Lord that He  
will bless me, saying, "Your prayer  
gives me strength and helps me to  
discern and accompany the  
Church, listening to the Holy Spirit"
