

WEDDING PACKAGES:

Cinematic Highlight Film

Relive all of the special moments from your big day in an artistically edited Highlight Film. This entertaining and emotional mini movie will transport you right back to that monumental day every time you watch it for years to come.

Keepsake Highlight Film Package ~ 4-6 minute duration..... \$2,299

Extended Highlight Film Package ~ 12-16 minute duration.....\$2,800

Full Feature

You get everything! This is the full length version, which is broken down into chapters (Ceremony, Cocktail Hour, Entrances, First Dance, etc.) for easy navigation. Every word and moment of your big day will be relived in a full feature package. Total running time is about 1-3 hours long.

Documentary Package ~ Meticulously edited between various camera angles.....\$2,600

Basic Coverage Package ~ Light editing, smooth transitions, no cinematic effects. One main camera angle...\$1,800

All Inclusive

Documentary, Teaser, Keepsake Highlight, Extended Highlight & an additional 2 hrs of coverage (7 hrs).....\$3,999

Content Creator

All of the behind-the-scenes moments captured vertically (unless you prefer horizontally or a mix of the 2) for quick social media sharing from real time to 24 hours. All raw footage is included.....\$1,100

All packages include drone coverage (weather permitting), multiple camera angles captured, unlimited electronic downloads, a sneak peek video within 3 days of the wedding and 5 hours of coverage time.

If more coverage time is desired you can add hours for \$200 per hour.
