PAYMENT POLICY

Payment is expected at the time of your visit. All bills that are 90 days or more past due will be referred to a collection agency. If you are over 18, the collections request will go under YOUR name, not your parents.

An itemized paid superbill will be provided to you via email, normally within 1 week, for you to submit to your insurance carrier for reimbursement.

Appointments must be cancelled at least 24 hours in advance or there will be a charge in the full amount of the scheduled visit.

I agree to pay by cash, credit card or check at the time of service.

I acknowledge that I have read, understand and agree with the policies of Genetic Medicine of Westchester and Fairfield.
