

American Legion Utah Post 111

Who We Are: We are proud members of the American Legion, united by our commitment to serving Veterans, their families, and our community. As a motorcycle chapter, we combine camaraderie with service—hosting fundraisers, organizing rides, and supporting local events. We are dedicated to upholding the values of the United States Constitution and promoting strong American principles.

Our chapter continues to grow, and with that growth comes an even greater ability to make a meaningful impact in the lives of those who have served.

Our mission is to support Veterans in all aspects of life. Whether it's assisting with everyday needs, easing the burden during the holidays, or connecting individuals with disability and mental health resources, we are here to help. We also give back to our community through service, outreach, and charitable efforts that make a real difference.

How You Can Help: We are seeking donations to further our mission and expand our impact. Every dollar raised goes directly to the American Legion and is used to support Veterans and their families through programs and community events.

If you would like to contribute, please use the QR code to donate via Venmo and include the memo: "American Legion Post 111." Or contact us via email at americanlegionpost111em@gmail.com

Your support helps us continue serving those who have served us. Thank you for making a difference.
