

B, Desert Storm Veteran

I would like to take this time to thank you and your staff for the outstanding time Vetitation has shown me on the Meditation retreat to the Chopra Center, I can't thank you guys enough for teaching me new tools that will stay with me for life in coping with my PTSD and TBI.

The staff at the Chopra Center presented this course with professionalism, kindness and understanding. Not one time while attending this life changing retreat did I feel uncomfortable and alone. If I had any questions, your staff or the staff at the Chopra Center were there to answer those questions in a timely manner and were very helpful in making our stay as comfortable as possible.

You guys and gals at Vetitation hit the nail on the head and I will always be thankful for the time spent learning meditation with an outstanding group of Veterans that came together as strangers and left as brothers and sisters. In addition, the food and accommodations were pretty sweet.

Thanks again for giving me this time to learn the art of meditation.  
Namaste, B
