ITINERARY: 12 DAYS

11/12: US – Quito

Arrive at your departure airport in the US, ready for your flight to **Quito***. Upon arrival, transfer to your hotel for check-in. Quito, Ecuador's capital, is renowned for its well-preserved colonial architecture, which earned it UNESCO World Heritage status in 1978. With its rich history, breathtaking views, and vibrant culture, the city seamlessly blends old-world charm with modern energy, making it one of the most captivating destinations in South America. Overnight stay in Quito.

*If either your outbound or inbound flights depart in the early hours (before 4:00 a.m.), you must arrive at the airport the night before the scheduled departure day.

11/13: Quito – Tena – Amazon

Breakfast at the hotel. Throughout the day, a representative will contact you to review your full itinerary, day by day, and answer any questions you may have. In the morning, set out to **explore colonial Quito**, visiting a traditional market, the city's charming narrow streets, and its iconic plazas.

Afterward, journey from the **Ecuadorian highlands** to the highest point of the road in the **páramos of Papallacta** before descending into the eastern jungle. Upon arrival at the jungle lodge, enjoy a delicious included dinner.

Later, embark on an exciting **night walk around the lodge** to uncover the secrets of the Amazon after dark. This guided experience offers a rare glimpse into the region's fascinating nocturnal wildlife. Listen to the symphony of the jungle as you spot colorful frogs, spiders, owls, and even snakes—all under the guidance of an expert naturalist. This short yet captivating adventure is perfect for those looking to experience the rainforest's mystery and beauty at night without venturing too far. Overnight stay in Tena.

Distance covered today: 240 km by bus (approximately 6h).

Keep an eye out for monkeys, colorful birds, frogs, and insects—and with a bit of luck, even sloths or wild cats. Walk through dense vegetation filled with towering trees, exotic plants, and medicinal flora used by indigenous communities. Guided by a naturalist, you'll gain insight into the intricate relationships between the Amazon's flora and fauna while immersing yourself in the sounds of the rainforest, from singing birds to the rustling leaves of hidden wildlife.

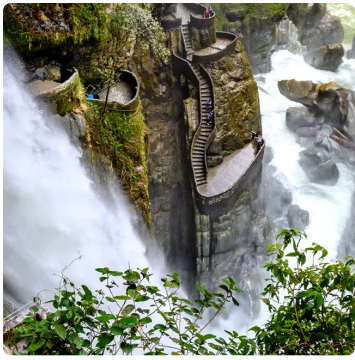

After lunch, enjoy free time to relax and unwind at the lodge's facilities. Overnight stay in Tena.

During the journey, after approximately a 3.5-hour drive, we'll stop to admire the spectacular **Pailón del Diablo** waterfall, one of Ecuador's most breathtaking natural wonders. To fully appreciate its beauty, you'll take a 30-minute walk to reach a hanging bridge, offering a panoramic view of the impressive 80-metre waterfall of the Río Verde. The water cascades into a basin, creating swirling whirlpools and foam at the base, which is why the waterfall is named "Pailón," meaning a large pot or container, evoking the visual effect of the falling water.

You'll then have free time for lunch (not included). Afterward, the journey continues to Baños, where you'll pass by several other waterfalls, including the Manto de la Novia.
