

COMMUNITY FUNDRAISER FOR THE **BIG LAKE** **ALGAE CLEANUP**

PROTECT BIG LAKE | RESTORE WATER QUALITY | SUPPORT OUR COMMUNITY

Big Lake has battled harmful algae blooms that threaten swimming, boating, **pets, fish**, and local ecosystems. We're a community-driven initiative raising funds for proven cleanup techniques – **because a clean lake means a safer, stronger community.**

- ✓ Keep Big Lake Safe & Open for Swimming & Boating
- ✓ Protect Our Community from Harmful Algae
- ✓ Preserve Property Values & Lake Health

OUR GOAL: RAISE \$325,000 THIS SPRING
to fund an early summer treatment

BigLakeAlgaeCleanUp.com

COMMUNITY FUNDRAISER

WE NEED YOUR HELP!

Fundraising Goal: \$325,000

for a single lake treatment, monitoring & oversight.
(More funds = better treatment)

- 💧 This spring, the goal is to raise **\$325,000**, which reflects the estimated cost of a **single lake treatment** along with required monitoring and oversight
- 💧 Raising these funds gives us the **best chance to act if treatment becomes possible this summer.**

Despite Big Lake being a tight community, we are spread out and not everyone lives at the lake. It is **difficult** to get in touch with everyone.

We need to **SPREAD THE AWARENESS** of this and get **DONATIONS ASAP.**

Please **DONATE** and **TALK WITH NEIGHBORS** to ensure everyone is aware of this initiative!

ALL DONATIONS ARE TAX-DEDUCTIBLE through Mediators Foundation, a 501(c)(3) nonprofit • Consult your tax advisor.
