U.S. and Louisiana History IV	HS	1898 - 2010 AD
Civics	HS	17th century - 2010

Updates and Changes Since July 31

Social Studies Analysis Skills and Practices	Content Standards
<ul style="list-style-type: none">● 'Inquiry Standards' changed to 'Social Studies Analysis Skills and Practices' (to better communicate that these are expectations for students, not pedagogy)● 'Taking Informed Action' category removed entirely	<ul style="list-style-type: none">● Changes to specific language of content standards.● G4, G5, G6 date ranges changed to better communicate the content of courses. (for example, inclusion of Roanoke and early English colonization efforts in 6th)

Discussion of Standards

Public Comment

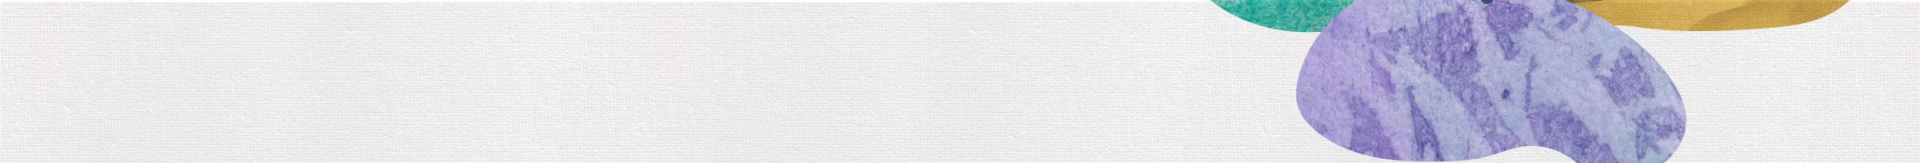

Endorsement of Social Studies Standards

Submitting the Social Studies Standards

Public Comment - Louisiana Social Studies Standards Draft 2021

Welcome! Thank you for submitting your public comment.

The following rules govern public comments related to the Louisiana Social Studies Standards 2021 draft:

1. By submitting this review you agree to the rules that govern public comments.
2. Louisiana teachers, school system staff, administrators, parents, students, and other members of the public are encouraged to provide public comment relative to the standards under committee review.
3. Responses and comments are subject to submission to workgroup, committee, and BESE members as part of the final revision and review.
4. The public comment period is four weeks.
5. Comments submitted below must be related to the individual standard that you select.
6. Comments using profanity or deemed slanderous of any nature will not be submitted to the workgroup, committee, or BESE members.

You can access the current draft of social studies standards in the Standards Review Committee Library (<https://www.louisianabelieves.com/resources/library/standards-review-committee>).

You must first select the grade and then the individual standard from the drop down choices below. You may only submit a public comment for one standard per form. If you would like to comment on multiple standards, you will need to complete a separate form for each standard. You will receive an emailed copy of your public comment after you have submitted the form.
