

PISTOLERO

Robert Louis Co.

Gain excellence in your tactical and instinct shooting using the RIFT (Real Instant Feedback Training) system only available with the PISTOLERO PistoLaser training system. Do your repetitions in any environment with your own pistol. Use the PISTOLERO on any pistol or revolver of any type; cocking the hammer or racking the slide is not required to fire the muzzle-mounted laser. Used universally for both training and practice, from recruits to Master Class. Made in the USA. For more info: (800) 979-9156, www.americancopmagazine.com/robert-louis-co
