

**Scenario Six** - please note that this should be (Vandamme) 24e Legere not 27e Legere

**Scenario Eight** -Vandamme's Division begins to appear at 13:00. The first to arrive are the artillery, the battalion of the 28e and Vandamme (delete the 12 increments missing) . The intent is that the rest of Vandammes' division, will arrive at 14:00 or later. This includes the 4e, 24e, 57e, 46e. (The 54e and 27e are not correct).

- If you are just playing this scenario then they enter at 14:00 with 9 increments missing)
- If you are playing scenario 6 then, they retain the number lost in scenario 6, when they enter scenario 8.

**Scenario Seven** only has seven turns. The game is over when the 16:00 turn is completed.
