Berlin 1813 Neu Beeren Scenario

Question: A little clarification for the arrival of the Prussian 5th brigade, please. The entry note reads: "Enter east map edge within 8 hexes of Rohrbeck". A further note reads: "*Rohrbeck is not on the Neu Beeren / Gross Beeren map but on the Blankenfelde Map. Use Blankenfelde map to locate the entry point."

Rohrbeck is on my Dennewitz maps, not the Gross Beeren maps.

Since the brigade enters at Gernshagen/Grenshagen/Genshagen in the Blankenfelde scenario, I'm thinking the note for this scenario should reference that village and not Rohrbeck. Correct?

Answer:

The reference to Rohrbeck in the Neu Beeren Scenario or Genshagen was a cut / paste error. The correct spelling of the village is Gensdorf although we had old maps with other spellings.

For Neu Beeren, the Scenario should read:

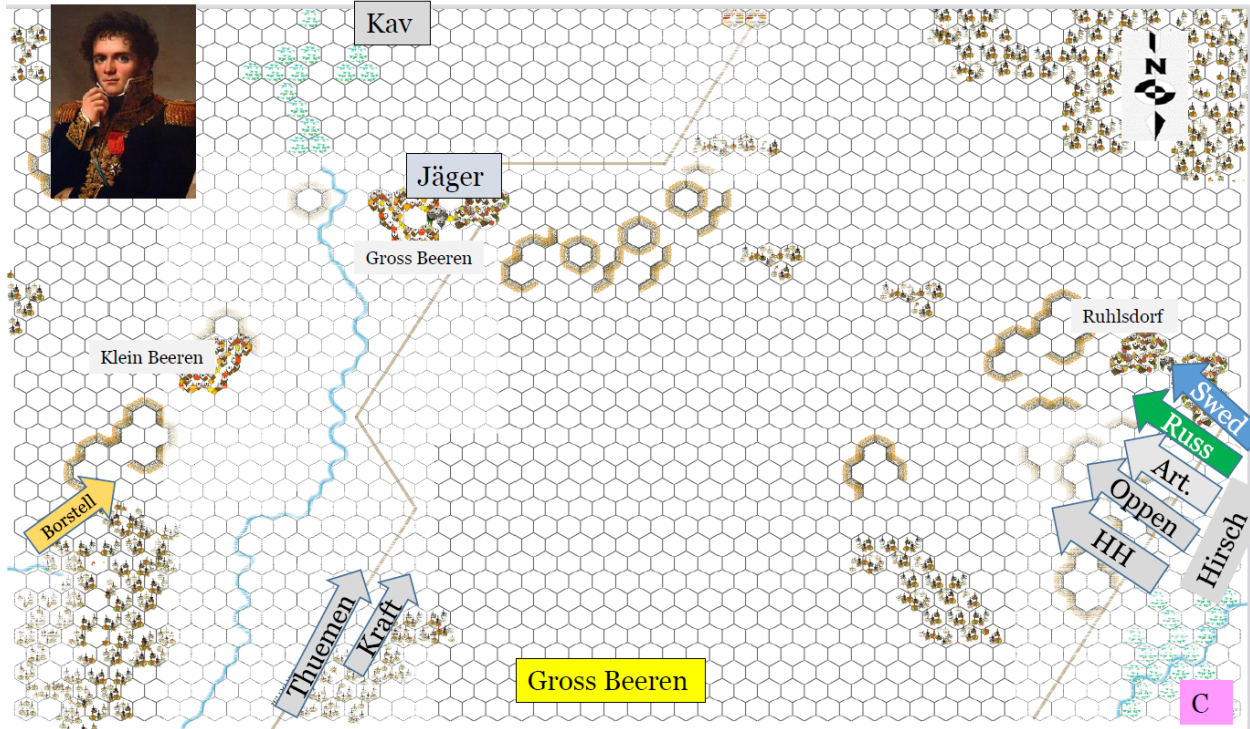

5. Brigade -GM von Borstell

13:20

Enter East edge Map C (ganze Brigade)*

1. Pommersches Infanterie Reg.
IV/ Pomm. Grenadiers
2. Reserve Infanterie Regiment
2. Kurmärk Landwehr Infanterie Regiment
5. Pommersches Husaren Regiment
1. West Preussisches Uhlán Regiment
10. Batterie zu Fuss

Borstell may be used in the Neu Beeren or Blankenfelde, but not both. If you are playing campaign (Blankenfelde and then Neu Beeren) this option allows the Prussian player to commit this Brigade in either scenario.

Or for Balkenfelde

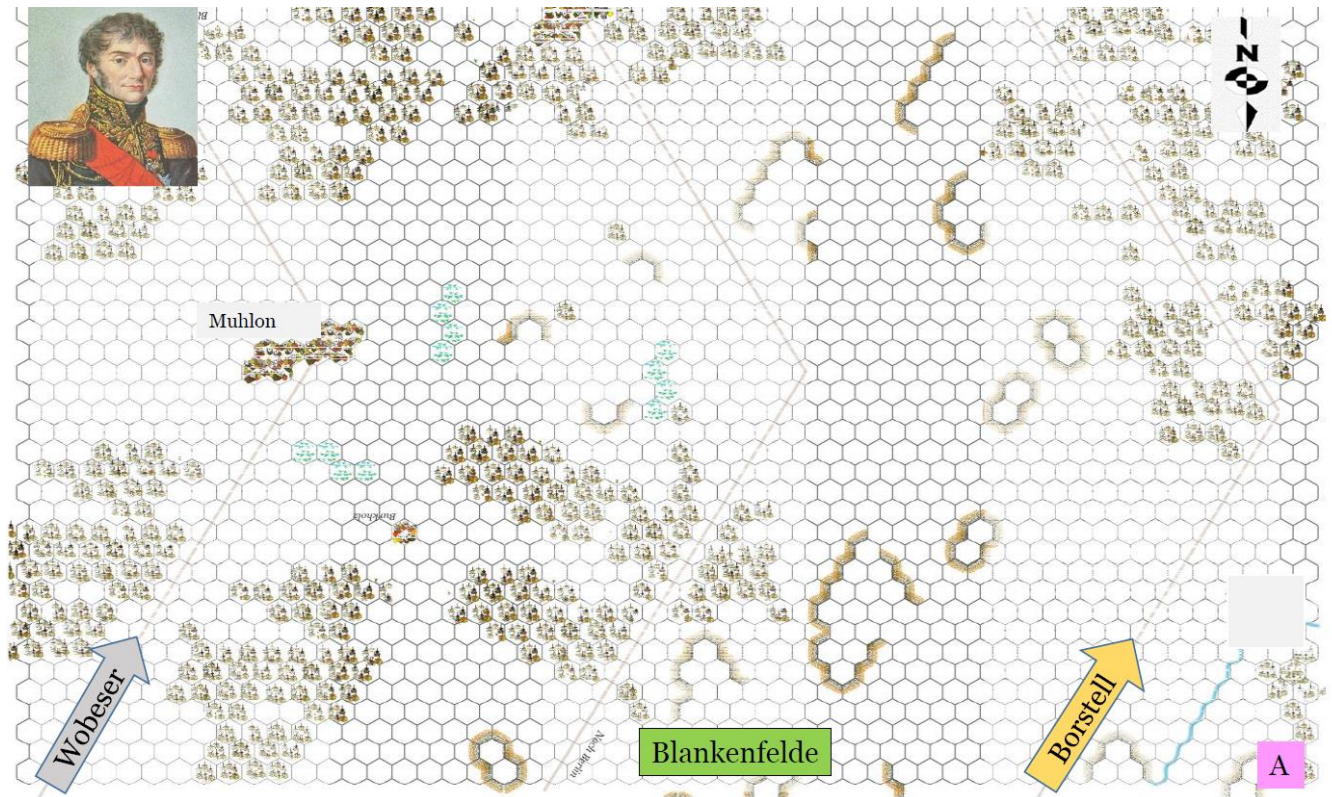

5. Brigade -GM von Borstell

12:20

Enter on road Map A. Cannot be used if already used for Neu Beeren

- 1. Pommersches Infanterie Reg. IV/ Pomm. Grenadiers
- 2. Reserve Infanterie Regiment
- 2. Kurmärk Landwehr Infanterie Regiment
- 5. Pommersches Husaren
- West Preussisches Uhlän Regiment
