Thank you for purchasing the newest volume of the Marshal Enterprises Premier Series

La Bataille d' Heilsberg 1807 from Marshal Enterprises

Opening and using the Rule Booklet.

- This document is 140 pages. It may take some time to download
- The files are now be reached directly from the **ME Website** – <https://labataille.me>
- Find the *Heilsberg 1807* page
- There are three formats for the booklet available
 - **PDF** – Use *Heilsberg 1807 pdf* button. A dialogue box will appear and you can choose to *download* or *save to a file*
 - **Windows** – Use the *Heilsberg 1807 Windows Zip* button
 - When downloaded the zip file should be in your down load file
 - *Open* the file
 - Choose *Extract* for the resource file and choose a file location.
 - Go to this file location and choose *Heilsberg 1807 Windows* (application) and double click on this. The booklet should open.
 - Do not just open the Zip file elements, this will not work.
 - **FUPUB** – use the *Heilsberg 1807 FBFUB* button
 - If you are on the internet this will provide a fully function Flipping Book
 - Use on desktop, tablet or phone.
 - This is the simplest method to get the full value of the Flipping Books Program
 - This version will work for MAC as well as Windows users
