Witness statement

“I saw Scott at the Anchor, I was there with Sally and he was with some others. You could hear their table from across the pub. They all seemed quite drunk. Sally and I had a good catch-up, then we left at around 11pm and went our separate ways.

I went to my friend Mel's house on Selwyn Gardens, that's Melissa Doors, directly. I got to her at about 11:30pm. I think part of the reason we left was Sally wanting to get away from Scott.”

Statement given and signed on 12/11/2010.
