GIOMETTI
CONSULTING
YOUR VISION – OUR JOURNEY

Summary of Experience and Significant Achievements

With extensive senior leadership experience across large-scale government, Aboriginal, and private sectors, I offer your organisation a commercially astute executive who delivers lasting outcomes and operational uplift.

Profession: Chief Executive Officer / Chief Financial Officer / Corporate Services / Change Management Professional
Years Experience: more than 18 years
Education: Curtin University School of Business

➢ A strong commercial background across diverse sectors

➢ Over 20 years' experience in executive leadership roles across State and Local Government, Aboriginal Corporations, and private enterprise
➢ Deep expertise in commercial strategy, enterprise restructuring, and business improvement
➢ Specialist in governance design, economic development, and funding partnerships
➢ Proven ability to lead across remote, regional and metropolitan environments
➢ Extensive experience with statutory compliance, trust and corporate structuring, and risk oversight

➢ Building partnerships and community-first outcomes

➢ Engaged effectively with Aboriginal communities, Traditional Owner groups, and Elders to deliver culturally appropriate economic and governance solutions
➢ Fostered strong collaboration with government, funders, and industry stakeholders
➢ Partnered with local governments to enhance service delivery in aged care, waste management, and community transport
➢ Maintained trusted relationships through transparent reporting, accountability, and genuine engagement

➢ Delivering strategic solutions that drive impact

➢ Designed and led major organisational reform projects in public health, policing, water, local government, and training
➢ Established economic development arms for Aboriginal Corporations, including structuring and governance frameworks
➢ Delivered turnaround strategies for entities facing operational and financial strain
➢ Led shared services reform, workforce optimisation, and corporate alignment programs

High performance business improvement, development & reform.
