

Material Safety Data Sheet

E-Z KLEEN

Manufacturers Name: Kinderco Labs  
Address: P.O. Box 31 Kinderhook NY 12106  
Contact Person: Andrew Monell Telephone 518-784-2914

---

Section 1-IDENTITY

Common Name used on Label: E-Z KLEEN all purpose cleaner  
Chemical Name: Water based cleaning compound  
Formula: Mixture of chelates, detergents, dispersing agents  
And H2O

---

Section 2-HAZARDOUS INGREDIENTS

Principal hazardous components (chemical and common names) 0% threshold limit Value (units)

Glycol Ether EB	5.0% osha 50 ppm
Sodium Hydroxide	0.6%

---

Section 3-PHYSICAL & CHEMICAL CHARACTERISTICS (fire & explosion data)

Boiling point 208 F                      specific gravity 1.02                      vapor pressure (mmHg) 1  
Percent volatile by volume 0%      vapor density air =1                      reactivity in water none  
Solubility in water: complete                      appearance: green opaque liquid  
Flash point: non-flammable                      special fire fighting procedures: none  
Fire and explosion hazards: None

---

Section 4- PHYSICAL HAZARDS

Stability: stable                      conditions to Avoid: None  
Hazardous Decompositions Products: None Hazardous Polymerization will not occur

---

Section 5- HEALTH HAZARDS

Threshold limit value: None                      signs and symptoms of over exposure: None  
Medical conditions aggravated by exposure: None  
Emergency and first aid procedures:  
Inhalation: open window  
Eyes: flush with water  
Skin: may cause mild irritation with prolonged use  
Indigestion: give two glasses water/milk do not induce vomiting

---

Section 6- SPECIFIC PROTECTION INFORMATION

Respiratory protection: None      Ventilation: use adequate ventilation  
Protective Gloves: to be used by person with dermatitis  
Other protecting clothing or equipment: None

---

Section 7- SPECIAL PRECAUTIONS AND SPILL/LEAK PROCEDURES

Precautions to be taken handling/storage: None other precautions: None  
Steps to be taken in care of leak/spill: flush with water  
Waste disposal method: to sewer in accordance with federal state and local regulations

---
