# AUDITION PACKET

# **AUDITION PACKET**

# Oxford High School 2023 Musical

It's been a long road to this year's musical auditions. Thank you to all who were patient throughout the process - especially those who worked to support the directing team during a difficult situation as we worked countless hours to re-group and ultimately do what's best for ALL involved...including what's best for our vocal program (which is working to grow post-Covid), and also what's best for our community as a whole (as we work to educate and involve more people in musical theatre - so we can continue to grow well into the future!). On that note, you should know that this year's show is going to be a BLOW-OUT EVENT, involving all ages in our community. We plan to cast "littles" all the way through Seniors in High School in order to create a massive musical experience, not yet seen in Oxford. **We're excited you want to be a part of it!** Make sure you follow the directions laid out in this packet for auditioning AND work on the music provided - in order to ensure success at your audition. We wish you all the best and look forward to seeing you soon!

Sincerely,

Miss Price (Director)

Mr. Humbach (Vocal Director)

Mrs. Brewer (Choreographer)

Ms. Casano (Production Manager)

#### Here are some things you will need to do to audition:

- 1.) **Sign up** for auditions outside Ms. Price's room. (You will be auditioned in groups <u>by character</u> so sign up for the time(s) that align with the character(s) for whom you want to audition (on either **November 2 or 3**).
- 2.) Fill out an audition form & commitment contract/conflict calendar and bring to auditions.
- 3.) Keep your **schedule free for CALLBACKS** on **November 21.** (Because of our tight schedule we can't accommodate individual schedules, <u>so be sure to clear your schedule in advance</u>. However, you are welcome to talk with Ms. Price if you have a scheduling conflict that you absolutely can't move. There are no guarantees she can accommodate you, but it's worth the ask if there is absolutely no other way around your conflict.)

# SHOW SYNOPSIS

Based on one of Hans Christian Andersen's most beloved stories and the classic animated film, *Disney's The Little Mermaid* is a beautiful love story for the ages.

Ariel, King Triton's youngest daughter, wishes to pursue the human Prince Eric in the world above, bargaining with the evil sea witch, Ursula, to trade her tail for legs. But the bargain is not what it seems, and Ariel needs the help of her colorful friends, Flounder the fish, Scuttle the seagull and Sebastian the crab to restore order under the sea.
