Kid entrepreneurs, aged 5-17, are invited to participate in the Hiddenite Arts & Heritage Center's upcoming Kidz Market. The event is scheduled to take place at the Hiddenite Center's Educational Complex (70 Hiddenite Church Rd, Hiddenite) on Saturday, March 8th from 10am - 1pm. Early registration is advised to secure a 10x10 booth. Participants must bring their own selling supplies, including tables, chairs, and displays. Children can sell any item, such as handmade or store-bought products, collectibles, or yard sale items (excluding animals and products not suitable for minors). Participants are asked to wear gloves and take appropriate safety measures if selling food. (Please note that we are not supplying access to electric outlets.) Parents and guardians are welcome to assist with setup, but should take care to allow their child to run their booth for the day!

This event has been specially designed to give children a glimpse of business ownership in a safe and encouraging environment. We ask that parents remain on the premises throughout the event. Parents may assist their child when necessary but should allow their children to interact independently with customers and conduct their business for the day, including wrapping up sales. In the event that a participant sells out of their products, a "SOLD OUT" sign must be posted at the booth, and the participant should remain present for the remainder of the event and take the time as an opportunity to engage with fellow entrepreneurs and visitors.

Admission to the market is \$5 for adults, \$2 for children aged 3-12, and free for children under 2. Parents and guardians of participants, as well as the participants themselves, are admitted for free. Early registration is encouraged as booth space is limited (registration deadline is 2/24/25). Participants will have the opportunity to set up prior to the event beginning at 8 am. The doors open at 10 am on Saturday. Please feel free to call us at 828-632-6966 with any questions.
