

## **Southern Alberta Walleye Trail Sponsorship Request**

The Southern Alberta Walleye Trail (SAWT) is seeking donations, prizes and sponsorship to support our competitive catch and release walleye tournaments for the 2023 season. The SAWT was established 28 years ago in 1994 and is a non-profit organization. The SAWT is active with Alberta Sustainable Natural Resource and Development, and other non-profit organizations working together to help make our waterways and the walleye habitat sustainable for the future generations. We have 200 members that fish our tournaments from all over Alberta, Saskatchewan, Manitoba and the USA. Our executive members are all volunteers who have been involved with the SAWT over the years.

Our tournament year consists of 3-4 competitive catch and release walleye tournaments as well as the Angler Young Angler (AYA) tournament, all held in southern Alberta during the spring and summer months. The AYA is a great tournament for families that allows young anglers to enjoy outdoor activities and learn about responsible sport fishing and the preservation of our waterways and fisheries in Alberta. All donations are used for raffles and prizing for our tournaments. Your company and your donations will be displayed throughout the 2023 season with your name and business name using banners and other promotional material you would like to provide. Sponsors can advertise through our web site [www.sawt.ca](http://www.sawt.ca) and we would love to link your business on our social media pages. If you approve, we will also partner with you to tag and share your social media content to expand exposure of your business.

Thank you for considering our request for a donation. It is truly appreciated. If you need further information, you may contact any of the executive members listed below. Also, if you know of anyone who is interested in donating or being part of the SAWT, please feel free to forward onto them. We look forward to hearing back from you and building our partnership in 2023.

Sincerest thanks,
