

## SAWT – COVID ADDITIONAL REGULATIONS AND CHANGES FOR THIS YEAR

- During tournament hours of 05:30-5:00 Friday and Saturday, there will be no gatherings of 50 or more people (outdoors) or 15 or more people (indoors). During registration (Thursday from 3:00pm to 6:00pm) and at the rules meeting Friday night at 5:00 pm, 6:00 pm and 7:00 pm, there will be only **1 member** of each team, not both members and no additional spectators or family will be allowed to attend. Not following these regulations could lead to a fine of up to \$1000 per person. There will be **3 rule meetings** to ensure that all teams will be able to hear the rules and still be within the 50 people or less rule. Location of these meetings will be announced ASAP.
- All members are asked to stay 2 meters (6 feet) away from others as per the social distancing requirement from Alberta Health Services.
- Any person who may have any symptoms: cough, fever, shortness of breath, runny nose or sore throat (even if they appear to be mild or resemble a cold) will be asked to remove themselves from the tournament. (A refund will be issued if a team needs to withdraw prior to the tournament rules meetings on Friday due to COVID-19.)
- There will be no meal on Saturday night due to the limitation and regulations.
- There may be some large prizes with tickets that will be sold with your name and phone number. The prizes will be drawn at the tournament that is proposed in September. If not approved we will do an online draw and have the prizes delivered to the winners.
- A 50/50 draw will be held and the money collected will go to HALO Air Ambulance. Contact Carla or Michelle for tickets. A Facebook Live draw will be done and the winners will be located and announced by Sunday June 21, 2020.
- Payouts will be announced on line, cheques mailed out on Tuesday morning.
