

# PROTECT YOUR ABOVE GROUND LINER

## ARMOR SHIELD

Armor Shield provides an important protective layer between a vinyl swimming pool liner and its sand or soil base. Unlike TRADITIONAL FOAM padding, Armor Shield is a Polypropylene Geotextile material that prevents cuts and punctures to the vinyl liner caused by rocks, roots, grass and even GLASS! Armor Shield also reduces convective heat loss and provides a comfortable floor pad for tired feet.

## WARRANTY ASSISTANCE

GLI makes redemption of your warranty easy. Simply be sure to keep a DATED copy of the purchase invoice for both the GLI liner and the Armor Shield floor protector in your records. If a defect should occur, send a copy to our Customer Care department along with a photo/digital image of the defective area. *JUST LIKE THAT*, your warranty will take effect and a replacement liner or a repaired liner will be issued.

A warranty assistance representative may be reached by email at [help@glipoolproducts.com](mailto:help@glipoolproducts.com) or by phone at 1-800-448-2343, Ext 6 x 15265.
