

- Science Lab Utility Control & Safety Systems
- CO & Natural Gas Detectors & E-Stop Buttons for Boiler Rooms, Water Heaters, Etc.
- CO/NO2 Sensors and Controllers for Parking Garages
- Gas Sensors (H, O2, NG, etc.) and Refrigerant Monitors
- Gas and Water Solenoid Shut-Off Valves

[Americangassafety.com](http://Americangassafety.com)

- Channel Blender Air Mixers
- Improve Coil Efficiency & Economizer Operation
  - Eliminate Freeze-Stat Trips
  - Reduce Mixing Box Tunnel Length by up to 50% Compared to Traditional Static Mixers

[Airblender.com](http://Airblender.com)

- Airflow Monitors for Supply, Return, Outdoor, and Exhaust
- Measures Airflow & Temperature
  - Humidity Adder for RH%, Dewpoint, Enthalpy
  - GTx108-F measures up to 8 fan arrays

[Ebtron.com](http://Ebtron.com)

- Pressure Independent Control Valves for Chilled, Hot, Condenser, and Process Water
- 10-Year Warranty, 100:1 Turndown, Delta-T Guarantee
  - SmartValve—energy valve option with BACnet
  - Saves Energy & Improves Temperature Control

[Flowcontrol.com](http://Flowcontrol.com)

- Flow and Energy (BTU) Measurement Solutions for:
- Water: Chilled, Hot, Condenser, Domestic, Make-up, Blowdown, geothermal, etc. in pipes 1/2" to 100+"
  - Natural Gas, Steam, Compressed Air, Medical Gases, etc.
  - 3-Year Warranty - 1st Year is a 'No Fault' Warranty

[Onicon.com](http://Onicon.com)

- Airflow Monitors for Fan Piezometers & Duct Pitot Arrays
- MicroTrans (MTSE) measures up to 10 total fans
  - FAATS-1000 for larger AHU's with up to 40 total fans
  - Pitot Array Flow Sensing Elements

[Paragoncontrols.com](http://Paragoncontrols.com)

- Low-Leakage & Ultra-Low Leakage Control Dampers
- Insulated and 'Broken Frame' options
  - Unmatched Quality and Reliability
  - Excellent choice for replacing old, worn-out dampers

[Tamcodampers.com](http://Tamcodampers.com)

- Room Pressure Monitors and Controllers for Isolation Rooms, OR's, Pharmacies, etc.
- Fume Hood Monitors and Controllers
- Laboratory Airflow Controls Systems

[Tsi.com](http://Tsi.com)

- HaloGuard IR Refrigerant Leak Detection and Monitoring System with 1 ppm Sensitivity
- O2 Depletion Monitors for MRI Rooms
