HOOPS

Humble Cares is a volunteer-run nonprofit 501c3 organization affiliated with Humble Savage. At the heart of our mission is the creation of a strong support network designed to help student athletes thrive both on and off the court. We are dedicated to providing the resources and opportunities that empower every student athlete to reach their full potential.

Our focus is on offering financial assistance for scholarships, high-level training, access to travel circuits and facilities that contribute to the growth of all members. Through fundraising events, sponsorships, and donations, we aim to equip athletes with the tools they need to succeed—not just in sports, but in all areas of life.

We are excited to introduce you to **Humble Savage**, a youth basketball organization based in the Phoenix/Ahwatukee community. Our mission is to provide young athletes from Pre-K through 12th grade with the opportunity to grow through basketball — focusing on fundamentals, skill development, and character building at the Recreational, Competitive, and National AAU levels.

Humble Savage was created to meet a need in our local community: a space where young athletes could learn, grow, and thrive through the sport of basketball — regardless of their background or financial situation.

However, running a quality program comes at a cost. We need help to cover critical expenses such as:

- Gym Rentals
- Tournament & League fees
- Uniforms and Gear
- Equipment and training tools
- Team-building activities
- Travel
- Coach Stipend
- Provide Post Grad financial aid

We also offer **scholarships** to ensure that no child is left out due to financial hardship. We believe deeply in the power of this program to positively impact our youth. And we are not alone — the strong response from our local families and volunteers is proof that our community has been waiting for this kind of opportunity.

This is where your support comes in. To sustain and grow this effort, we are seeking sponsors at the **Humble Cares Hall level or above.**

In return, we will proudly recognize your organization as a key part of our journey — and induct you into the **Humble Cares Hall**, where we honor those who make this mission possible.

We would be honored to have your support and to partner with you in building something meaningful for the current and future generations.

With gratitude,

The Humble Cares Board
