

EXHIBITOR INFORMATION

Our exhibit area has lots of shade and paved driveways.

All makes and models of tractors, equipment, and gas engines are welcome. Our exhibits range from the latest restoration project to those with the color of rust. Each exhibit has its own story and is something to enjoy.

We get possession of the fairgrounds on Monday morning, July 6 and begin setup at that time.

It is best to enter at Gate 5 on State Route 121 (Google Maps 1125 Ft. Jefferson Ave.) & across from Flory Landscaping or Gate 6 on Eidson Road (422 Eidson Rd.) across from America's Store 'N Lock.

There will be a designated trailer parking area at Gate 5.

Darke County Sheriff's Patrol provides security during the show.

We ask that all exhibitors become members of Greenville Farm Power of the Past.

Don Marchal (937-658-4855) oversees the tractor area.

Mike Monnier (937-603-3207) heads the gas engine area.
