

Peterson Farm Brothers

July 10 at 6:30 PM

Who are the Petersons? With their father, they are still farming on their ancestors' homesteads in Kansas. You can learn about their farms on their website.

Check out their YouTube videos and plan to meet the Petersons in July!

Thank You to ***Keystone, CountryMark, Apple Farm Service, North Star Hardware & Implement, and Aaron Overholser-Beck's Dealer*** for sponsoring this event!
