Held at the Darke County Fairgrounds, 800 Sweitzer St., Greenville, OH

Anissa Krueger - Director of Concessions and Vendors

Phone: 937-564-4307 Email: greenvillefarmvendors@outlook.com

Dear Vendor,

Greenville Farm Power of the Past would like to extend an invitation to you and your business to be a part of the 25th Annual Antique Tractor and Gas Engine Show held at the Darke County Fairgrounds in Greenville, OH. Dates for the show are Thursday, July 11th thru Sunday, July 14th, 2024. Our show offers a variety of antique, arts & crafts, and flea market vendors, as well as many concession options. We will be hosting 4 clubs for their summer shows and featuring lesser-known classic tractors.

Both outdoor and limited indoor spaces are available, giving opportunity for all types of vendors to set up. Camping, with water and electric hookup, is available for the week on the grounds for an additional cost. For those needing other overnight accommodations during our show, Greenville has many affordable hotels and B&Bs within a short driving distance from the grounds.

If you are interested in participating in our show, please read the entire enclosed application, including the updated policy and rules page, and return it completed with payment to the address provided on page 1 of the enclosed contract. Confirmation of receipt of your application will be made via email or phone. *Note that indoor space is limited and expected to fill quickly and new vendors should call or email to confirm availability before submitting payments.*

We offer a free listing in our program book to all vendors who complete applications before the reservation deadline, April 29th. This will contain just your business name and primary articles for sale. Full ads are available for purchase through our show's main email contact.

New this year will be a select number of 45-minute time slots for our vendors to demonstrate or feature some of their products. If you are interested, please fill out the bottom portion of page 2. You will be contacted if selected for a time slot.

We appreciate your time and consideration of the 25th annual Greenville Farm Power of the Past Antique Tractor and Gas Engine Show and we hope to hear back from you soon. Any questions or concerns can be addressed by the Director listed at the top of this letter.

Thank You,

Greenville Farm Power of the Past
