PROUDLY PRESENTS

TIME
TO
SPARKLE

CIRCLEVILLE HIGH SCHOOL
JUNE 1, 2024
11AM AND 3:30PM

Dear Parents, Students, and Friends:

Welcome to the Charmion Performing Arts Center annual recital "TIME TO SPARKLE". The performance you are about to see is the result of a season full of dedication and hard work from all our devoted instructors and students. Their greatest reward will be your thunderous applause. I know you will be as proud of your little stars as we are!!

At Charmion Performing Arts Center, we are committed to today's complete performer. We care as much about training young performers as we do about educating responsible, dynamic leaders. We take great pride in truly providing the best performing arts education in the area. Our staff has a genuine love and passion for teaching children.

Heidi continues to study extensively at the University of Buffalo, in Buffalo, New York, and Dance Masters of America Teachers Training School. The DMA program is the most advanced dance program in the United States. Heidi is certified by Dance Masters of America and Ohio, Dance Educators of America and holds certification with I.D.E.A. (International Dance Entrepreneur Association). Heidi has taken the studio to the next level of keeping our students educated, safe and promoting good health. Heidi studied and received her own certification, as well as certifying the studio with Y.P.A.D. (Youth Protection Advocate for Dance). Heidi is celebrating her 37TH year of teaching dance.

WE are focused on promoting the good in dance and performing arts education. Our studio provides a safe, professional and family environment for all. We want our students to enjoy and have fun while they are making childhood memories. Our studio insists on age-appropriate classes, including, but not limited to, costumes, music and choreography.

Charmion Performing Arts Center offers multiple disciplines of dance. Our studio provides recreational and competitive programs. Charmion Performing Arts Center recreational programs offer classes to children ages 2-18. Our recreational program has approximately 200 children participating in today's performance. Charmion Performing Arts Center Competition Team is composed of approximately 40 talented and dedicated dancers. Dance routines accentuate technique and style in many disciplines, such as tap, ballet, jazz, lyrical, and contemporary. Our Competition Team Dancers competed in 3 regional competitions this past season and performed remarkably well. Our competition teams will be attending nationals in late June.

In closing, we are extremely pleased and proud to welcome you today. Thank you very much for being part of our family and for being part of this very exciting and much anticipated event! Enjoy the show..

Sincerely,
Heidi and Marc

SPECIAL ACKNOWLEDGMENTS

Tonight's show is a presentation of our students' hard work and dedication. I would like to thank all the families and students who participated this year. Your dedication to the studio is greatly appreciated. We look forward to working with you and your children in the years to come.

To everyone that has helped backstage or at the studio, your hard work has made our show even more amazing! Everyone that assisted backstage and in the dressing rooms, your jobs make our show run smoothly.

To all our instructors, we are very lucky to have all of you on staff! Thank you for your dedication and making our show shine!

To all our wonderful assistants, your dedication and passion for dance, gymnastic and baton is incredible. Thank you for spending countless hours helping us!

Pam for all your time and commitment to the studio and for organizing our wonderful parent dance.

I would like to recognize my mother, Sue Morse and my sister, Michelle Garlock for their continued support and love. My mother started me in dance at the age of 3. She has worked and attended many conventions and recitals over the past 30+ years. My mother was right there helping me open my first studio, in 1986. My sister was my baton instructor for many years. Without the help and dedication of these two remarkable women I would not be celebrating another season. Thank you, Mom and Michelle.

I want to thank our children; Stephanie, Dylan, Dallas, Royce, Carrie and grandchildren Benita, Austin, Hunter, Grayson, Kasey, Brylin, and Shyla for all the support and understanding that goes into making our studio a success. We love you all very much!!

Lastly, I want to thank my husband and family for their support and hard work. Mr. Marc spends countless hours working at the studio. Mr. Marc is # 1 with the students and parents! My dream of dancing and teaching has come true because of you and your love!
