

Internship Program

Internship Opportunity: Project Management and Digital Marketing

- Duration: 3 months
- Eligibility: Open to all undergraduate students

Responsibilities:

- Assist in handling projects across India, ensuring effective implementation and progress tracking.
- Update status reports to keep all stakeholders informed on project developments.
- Support the procurement process for machinery and other resources.
- Coordinate communication with clients to ensure project objectives are met.
- Engage in digital marketing activities, including managing social media accounts.
- Contribute to blog writing and content creation to enhance our online presence.
- Participate in brainstorming sessions for project ideas and marketing strategies.

What You Will Learn:

- Practical experience in project management and implementation.
- Insights into client relations and procurement processes.
- Skills in digital marketing, social media management, and content creation.
- Opportunity to work as part of a dynamic team and network with professionals in the industry.
