*Did you know that July is national ice-cream month??? Well Post 21 did!!!! Boy oh boy did we celebrate it. All our friends at Post 21 created yummy ice-cream Sundaes, slushies, and delish milkshakes! We drank the slushies, made sundaes and used the delish strawberries that Geoff's mom freshly picked to use as a topping. Ben made sure we didn't forget the whipped cream, YUM!*

*-Post21 hopes that you all had a great time celebrating Canada Day, we did. With the help of all our friends here we made a Canada flag that will sparkle bright in the night skies!*

*-Don't forget to wish Shanice the happiest of birthdays as her birthday will come on July 30th! Post21 thanks Shanice for all her hard work and dedication here.*

*-With the summer coming on strong our summer outdoor activities are limited but we like to look at our summer board we created and use our imagination of the water and summertime fun.*

### Transitions

**-Welcome Jasmine to our new Post 21 family.**  
**-In September, please look forward to a new group joining Post21! We have a few new transitions coming to Post21. We can't wait for all our friends to meet and enjoys their programing days together.**
