NEWS

The month of August at Post 21 has been nothing but fun-filled. Participants enjoyed various sporting activities at the gym that kept everyone active and smiling. We also took advantage of the beautiful weather by spending time at the park, where we held a picnic and enjoyed lunch together in the courtyard. Watching everyone laugh, interact, and soak in the fresh air made the experience truly memorable. As we look forward to September, we remain grateful to our dedicated engagement facilitators, volunteers, and families who continue to make every moment at Post 21 meaningful and joyful.
