# THE IMPACT of Community Collaboration

**BOODat504:** *We are proud to share the impactful partnerships and collaborations that have made BOODat504 a cornerstone of our community:*

- Partnered with radio personality **Wild Wayne** and the **Knights of Peter Claver State of Louisiana** to raise over \$1,000 and collect donated goods for a mother who tragically lost her children, home, and possessions due to domestic violence. This collaboration laid the foundation for BOODat504's ongoing commitment to supporting and promoting **Domestic Violence Awareness Month** activities.
- Partnered with **STEM NOLA** to provide engaging STEM activities for attendees. The youth flocked to the STEM section and were so captivated that they didn't want to leave.
- Partnered with **WDSU's Gina Swanson Gray** to create an outlet for kids to express themselves through costume, performance, and dance with our inaugural costume contest. Mrs. Swanson-Gray hosted the event, encouraging the youth as they competed. WDSU also previewed and covered the event, with the stage generously provided by **Orleans Entertainment**.
- Partnered with **Total Community Action (TCA)** to offer residents valuable program resources and information.
- Partnered with **Goodwill Industries of Southeastern Louisiana** to provide Halloween costumes and share information about their technical college.
- Partnered with the **New Orleans Police Department Second District** to foster positive engagements between law enforcement officials and participants. NOPD coordinated a trunk or treat and assisted in judging the costume contest.
- Partnered with the **New Orleans Fire Department** to educate kids on fire safety and give them the rare opportunity to explore a New Orleans Fire Department truck. The joy on the youths' faces assured us that at least one future firefighter was inspired!
- Partnered with renowned local artist, **Ayo Scott**, to lead guided arts and crafts projects with the youth.
- **Paparazzi Cam** set up a photo booth, providing attendees with wonderful photo memories.
- Partnered with **Richard's Disposal Inc.** to ensure attendees had access to clean and accessible restroom facilities.
- Partnered with **Nice Guys NOLA** to provide spectators with a live "Thriller" reenactment. Nice Guys NOLA also sponsored our "Dancing in the Streets" featuring **DJ Arie Spins**.
