GENERAL RODEO EVENT RULES

IF AT ANY POINT, IN ANY EVENT A HORSE IS DEEMED UNSAFE OR UNCONTROLABLE FOR THE CONTESTANT BY A DIRECTOR OR JUDGE THE HORSE WILL BE BANNED FROM COMPETING FOR THE REMAINDER OF THAT RODEO WEEKEND. THE 2ND OFFENSE WILL CAUSE THE HORSE TO BE BANNED FOR THE REMAINDER OF THE SEASON.

- 1.** These are the Heart of Oklahoma Youth Rodeo Association (HOYRA) Rules and if at any time a situation arises which is not covered in this HOYRA Rule Book, the HOYRA Directors and Judges Decision will be final.
- 2.** All complaints are to be taken to the appropriate event director before the next age group/event begins. The director has the option of consulting with the other directors, discussing the complaint and then making his/her decision. His/her decision will be final.
- 3.** Judges and timekeepers should be people of experience. If an infraction of the rules occurs, the complaint must be registered with the appropriate event director before the next event or age group begins. Judges may not be overruled, but if an obvious error is made, event directors that are present at the rodeo in which the problem arises, may meet and discuss the problem with the judges. No videos or instant replays will be allowed in the event of a complaint. After the discussion, the judge's decision will be final. The secretary will not pay off an event until the next event starts. In the event one or both judges are deemed incompetent, a director of that event will judge.
- 4.** The draw for position in racing events and the draw for position in roping events will be done by a

minimum of 1 director and 1 assistant in the presence of the Rodeo Secretary or the computer program. The draw will be final, regardless of any previous draw of the same stock or position in the current rodeo or any previous rodeo.

- 5.** A contestant will be allowed to compete in any older age group for jackpot purposes only, but points will be distributed only in his/her own age group. The contestant will not be allowed to advance into any age group during the Finals Rodeo.
- 6.** If a contestant knowingly enters a crippled horse, that contestant is liable for all fees paid. If a horse is injured during a performance, fees for all remaining events in which the contestant is entered will be refunded. Directors or officers must verify all injured horses.
- 7.** There will be no entry fees refunded after the draw has been made, except under the injury rules above or in case of a "rain out". (See item # 11.)
- 8.** General training of horses or unnecessary rough treatment of the stock will not be allowed, and a contestant will be flagged out of an event at the discretion of the judge or director for doing so.
- 9.** Each Contestant will be called three (3) times. EACH TIME IS 30 SECONDS APART and if not at the gate will be disqualified. A broken Pattern will result in a No time. The contestant will be awarded one (1) participation point but will receive an official "no time". A contestant must be on horseback when crossing the first manned gate.
- 10.** A contestant must run in the order of the draw, if a contestant is at fault for running out of order, the contestant will be given a no time. If it is the fault of arena help/judge, then the time will be given.
- 11.** In the event a rodeo is rescheduled (due to unforeseen circumstances), points will be awarded in the completed classes. Entry fees for unfinished classes will be rolled to the rescheduled date only. However, those contestants that were entered and paid up can count the rodeo as one of the required rodeos they need to qualify for the Finals rodeo as long as they did not draw out before the rodeo was called. The HOYRA Officers and Directors will decide

if a rodeo is rescheduled due to unforeseen circumstances.

n) Should stock escape the arena, the time will be stopped, and the roper will get the same stock again. The stock will be put back into the chute and the time will restart when the stock's head enters the arena. "lap & tap" with elapsed time added. All penalties will apply.

o) The draw for position in racing events and the draw for position in roping events will be done by a minimum of 1 director and 1 assistant in the presence of the Rodeo Secretary or the computer program. BARREL RACING, POLE BENDING & GOAT TYING/UNDECORATING RULES

CONTESTANTS CANNOT BE TIED OR RESTRAINED INTO SEAT OF THE SADDLE BY BELTS, ROPES, OR VELCRO. IF THEY ENTER THE ARENA STRAPPED TO THE SEAT OF THE SADDLE, THEY WILL BE DISQUALIFIED AND NO PARTICIPATION POINT WILL BE GIVEN.

ONCE HORSE PASSES FIRST MANNED GATE, A PARENT OR HELPER CANNOT SPANK THE HORSE.

1. BARREL RACING.

a) **Time Limit.** Each contestant will be allowed a 60 second time limit including all penalties, except the 6 and under age group.

b) General Rules.

1. There will be one electric timer during each timed event and backup timer by judge flag for backup. If the electric timer malfunctions 3 times and/or cannot be repaired quickly, we will go 100% with backup times. If the time is missed, the contestant will have the option to run at that time or be dropped to the bottom of that same age group for that event. All penalties will be carried forward.

2. Permanent markers will be put on the fence for the electric eyes. The electric eyes should be placed on the start/finish line no closer together than the width of the first two barrels. Barrels are not to be used as stands for the electric timer devices.

3. There will be a drag between each age group. In the 6 & under age group, we will drag once at half. In all other age groups, drags will be determined by the arena directors. However, if conditions warrant, the racing directors may change the drag.

4. Exhibition Barrels will not be run on the same stakes as the official race in any arena. This may be changed at the discretion of the directors due to arena conditions.

5. Both ends of the barrels must be intact.

6. The draw for position in this racing event will be done by a minimum of 1 director and 1 assistant in the presence of the Rodeo Secretary or the computer program. The draw will be final.

7. In the 6 & Under barrel racing class, if a contestant requires assistance via lead line only the participation point will be given, and they will not be allowed to place in their class for that run.

c) Event Rules.

1. Where the arena will permit, a standard pattern is recommended. The first and second barrels will be sixty (60) feet from the start/finish line, ninety (90) feet between the first and second barrels, and one hundred and five (105) feet from the first to the third barrel and the second to third barrels. A standard barrel pattern will not be exceeded. However, the pattern will ultimately be determined by the arena size, always with adequate room from the start/finish line to the end of the arena to stop.

2. If the standard pattern is too large for the available space, the pattern should be reduced five yards at a time until the pattern fits the arena. Adequate space must remain between the barrels and any obstacle. The distance from barrel number 3 to the finish line need not be reduced five yards at a time if there is sufficient room for the horse to stop. When measuring the area for the barrel course, allow ample room for horses to complete their turns and stop at the finish. It is recommended there be at least 45 feet from the start/finish line to the end of the arena, at least 20 feet from barrel 1 and 2 to the fence and at least 36 feet from barrel 3 to the end of the arena, if the arena conditions permit.

3. The cloverleaf pattern is the only approved pattern in this event.

4. Touching the barrel is permitted by the horse or contestant.

5. The contestant may start on either the right or left barrel.

6. The Open Barrel contestants will have no age requirement but will abide by all other rules.

d) Penalties.

1. Knocking over a barrel is a 5 second penalty, per barrel. Should the barrel be knocked over and it sets up on its opposite end, the 5-second penalty will be applied.

2. Failure to follow the cloverleaf pattern will receive a "no time". A broken pattern shall be defined as a contestant/horse breaking their forward motion to retrace their tracks in order to finish the pattern and/or passing the plane of the barrel on the offside. Example: Should a contestant run by a barrel and have to back up or turn around and retrace their tracks, this would be considered a broken pattern.

3. Any contestant crossing the finish line before the pattern is complete will receive a "no time".

4. If the contestant's horse breaks the timer light, by backing through it before starting the pattern, the time will be considered started.

5. If the contestant's horse breaks the timer light after completing the pattern, before exiting the arena this will result in a no time

e) Reruns.

1. No rerun will be given due to faulty or broken equipment furnished by the contestant.

2. POLE BENDING.

a) **Time Limit.** Each contestant will be allowed a 60 second time limit including all penalties, except the 6 and under age group.

2. Permanent markers will be put on the fence for the electric eyes. Barrels are not to be used as stands for the electric timer devices.

3. There will be a drag between each age group. In the 6 & under age group we will drag once at half.

In all other age groups, drags will be determined by the arena directors. However, if conditions warrant, the racing directors may change the drag.

2. The first pole shall be 21 feet from the timer start/finish line with all other poles 21 feet apart and if the arena allows a minimum of 21 feet from the back fence.

3. Poles must be set in a straight line.

4. Touching the poles is permitted by the horse or contestant.

5. A horse may start either to the right or left of the first pole and then run the remainder of the pattern accordingly.

d) Penalties.

1. There will be a five (5) second penalty for each pole knocked down and hits the ground. If the pole rights itself, after hitting the ground, a 5 second penalty will still be assessed.

2. Failure to follow the Pole Bending pattern will receive a "no time". A broken pattern shall be defined as a contestant/horse breaking their forward motion in order to retrace their tracks, stopping, circling, backing, or reversing direction of movement to correct an improper pass to finish the pattern and/or passing the plane of the pole on the offside.

3. If a pole is knocked down and the contestant does not follow the weave pattern around the original base pattern of the fallen pole, it is considered a broken pattern.

4. If the horse re-crosses the starting line at any time before the pattern is completed, the pattern will be considered broken and the contestant will receive a "no time".

5. If the contestant's horse breaks the timer line, by backing through it before starting the pattern, the time will be considered started.

6. If the contestant's horse breaks the timer line after completing the pattern, before exiting the arena this will result in a no time.

6. The goat's legs must remain crossed and tied for 6 seconds after the completion of the tie.

7. Time will stop when the contestant signals the completion of the tie.
