## **DELTA LAKE IRRIGATION DISTRICT**

### **POLICY FOR APPROVING SUBDIVISIONS/FAMILY PARTITIONS**

*Prior to the approval by Delta Lake Irrigation (District) of any subdivision/family partition, the following requirements must be met:*

1. Not less than 30 days before the District board meeting at which the plat will be considered, submit the plat to the District's General Manager and pay the District a non-refundable fee of **\$250.00** for plat review. The plat submission to the District will also include a petition for exclusion of the platted land from the District. The fee for the exclusion of the land being subdivided is **\$500.00**.
2. The plat must be signed by a licensed civil engineer, identifying the land to be subdivided and the exact location of any canal, lateral, pipeline, drainage ditch, or other facilities owned, operated or controlled by the District.
3. The plat shall contain a notation "All rights, rules and regulations of the Delta Lake Irrigation District existing prior to the submission of this plat are not abridged by the subsequent approval of this plat by the said District, notwithstanding any provision or notation otherwise in this plat." (This requirement will be inapplicable if any rights, rules or regulations of the District are intended by the District to be abridged.) The plat shall also contain a statement that the District will not allow any structures 15' from the centerline of a pipeline or 25' from the inside toe of any main or lateral canal or drainage ditch, and that no fencing be will installed or remain on any Districts easement or right of way unless approved by the District Management. All approved fencing will be required to have gates providing a minimum opening of 16 feet.
4. The District may require a subdivider to relocate or replace any canal, lateral, pipeline, or drainage ditch, and other facility owned, operated or controlled by the District. All Districts facilities no longer in use will be removed at the subdivider's expense.
5. If a valid easement does not exist for any canal, lateral, pipeline or drainage ditch, and any other facility owned, operated or controlled by the District, the proposed subdivision plat shall indicate an easement of sufficient size, as determined by the District, to allow for the operation, maintenance, repair or replacement of any such facility.
6. All easements dedicated to the use of the District shall be exclusive easements in favor of the District.
7. All Right of Ways no longer needed within the subdivision's boundaries will be offered for sale to the subdivider at current market value.
8. The District must be satisfied that the subdivider is the owner of the property, as evidenced by a title report, title insurance, warranty deed or other reliable evidence.
9. All ad valorem and flat rate taxes must be paid in full for land proposed to be subdivided prior to the consideration of approval by the Board.

10. All decisions made by the Board regarding subdivisions will be based on preventing and avoiding any harm or disadvantage to the District.

11. If a petition for exclusion is submitted, the involved properties will not be removed from the tax roll until the subdivision has been recorded in its corresponding county courthouse and an 11x17 photocopy of such plat is provided to the District.

# DRAINAGE STATEMENT

We, the undersigned owner(s) of land shown on this plat, for the consideration of Delta Lake Irrigation District (Willacy and Hidalgo County) approving this plat, assume all responsibility for the drainage of the land covered hereby and we, our heirs and assigns, assume any costs in connection with any drainage needed now or at any time in the future.
