

CIRCULAR 2021 - 02006

Date : February 24, 2021
To : Our Valued Residents/Homeowners
From : The Property Management Office
RE : **Waste Segregation Advisory**

Pursuant to the Republic Act No. 9003 well known as “Ecological Solid Waste Management Act of 2000”, the Local Government Units nationwide are enjoined to ensure compliance of their constituents in proper handling of household waste thru segregations. Relevantly, (as indicated in Magna Carta, Section 55. Relationship with LGUs), homeowners associations shall complement, support, and strengthen LGUs in vital services to their members and help implement local government policies, programs, rules, and ordinances.

Thus, residents and homeowners of Camella Lipa Subdivision are encouraged to actively cooperate in furtherance of this national and local programs. As for initial implementation, starting **March 2, 2021** everyone is urged to do their part **by segregating recyclable household waste and put them in a clear plastic bag**. The maintenance personnel are in-charge in collecting them **every Tuesdays in weekly basis**. This would help to reduce the large volume of waste products and help to lessen the risk of health and environmental issues arise in improper waste handling and disposal.

Your utmost cooperation is highly appreciated.

Sincerely,

ANGELITO R. MATANGUIHAN
HOA Administrator
