Re : **Updates on the Special Elections**

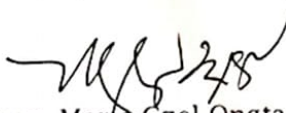

Greetings!

The Election Committee met last September 11, 2022 from 11:00 AM to 04:30 PM in order to deliberate and validate the submitted nomination form received from the community members.

After opening and strict scrutiny of all nominations, we are saddened that our turn out was too low, we only have 26 valid nomination forms, 8 for verification and 8 void, the total participant is only 2% of 1,513 members, as such we shall coordinate this matter to DHSUD for proper guidance.

We shall keep everyone posted once we received a communication.

Thank you very much.

Engr. Marie Czel Ongtangco
ELECOM Chairman
