Re : Rescheduling of the 2026 General Assembly and Board of Directors Election

---

In accordance with Board Resolution No. 2026-02, the Board of Directors hereby formally notifies all members of the Association that the 2026 General Assembly and Board of Directors Election, originally scheduled on January 24, 2026, is hereby rescheduled to February 21, 2026.

This action was taken in view of the current situation and the numerous appeals and written submissions received by the ELECOM, which question certain resolutions, rules, guidelines, and procedures issued by the Committee on Election (ELECOM) in relation to the conduct of the forthcoming election.

The Board recognizes that these appeals raise substantive and material concerns which merit careful consideration. Said concerns require adequate time for proper review, clarification, and resolution, in order to uphold the principles of due process, transparency, fairness, and credibility that must govern the Association's electoral process.

All other details relative to the General Assembly and election, including venue, time, and final guidelines, shall be announced through a subsequent advisory.

The Board respectfully seeks the cooperation, understanding, and support of all members as the Association takes these necessary steps to ensure that the 2026 General Assembly and election are conducted in a manner that reflects good governance and the collective interest of the community.

For information, guidance, and strict compliance.

Christopher Lloyd O. Castillo
