To past and future 2025 Sponsors:

Thank you for your past/future support of our club, it is greatly appreciated!

We are gearing up for another exciting season of Nostalgia Drag Racing.

We are seeking individual race sponsors for the 2025 racing season.

I have enclosed a copy of our 2025 race schedule for your review.

The dates available will be decided on a first come first serve basis, so please send in your applications early to secure your desired dates. I have also enclosed a sponsor/advertiser form and sponsor menu so you can select the package that works best for you.

Our sponsor packets allow our sponsors to select an individual race and division (IE Nostalgia or Competition Eliminator) and allow sponsors to co-sponsor a race.

The North East Timing Organization appreciates your continued support and we look forward to vigorously promoting the products and services of our sponsors at all of our events.

If you require further information, please contact me directly on my mobile number or email located on the header of this message.

Once again Thank you for your continued support.

Best Regards,

Vincent J. Laurita
