Meg's Message

Dear RFWTV Members,

It's almost October!! Please spend some time over the next week or so to get your mind ready for the next 6 weeks. There is no way to sugar-coat what it is going to be like. It will be like nothing we have ever seen. There is so much on the line for our country and our future as Americans. You can help the sane, good people win. It is going to take everyone to win this midterm.

HERE ARE SOME THINGS

TO THINK ABOUT

Do them all, some or pick one, it all helps.

- **LIST** the 10 people you will urge and follow up to make sure they vote.
- **FIND** sample ballots for Sumter, Lake and Marion Counties and send to everyone on your email list with recommendations on who to vote for. Be the trusted person your friends and neighbors depend on for information.
- **SIGN UP** to be a Poll Watcher, a Phone Banker, Door Knocker, share Voter Guides at Postal and Polling Stations and participate in a GOTV Golf Cart Rally
- **SHARE** good information as much as possible.
- **LIKE** the sensible posts on Facebook, Instagram and X and share them.
- **VOLUNTEER** for any Republican candidate you like.
- **STAY POSITIVE.** No one likes gloom and doom which is used to depress voter turn out. The future is BRIGHT.
- **FLY** your American flag. It is a symbol of strength and hope. Plus it makes your home look prettier.
- **PRAY** for our Country and our President.
- **PRAY** for fair elections.

Keep Florida **RED,**

Meg

September 2026 Minutes

Samantha SCOTT
STATE REPRESENTATIVE DISTRICT 52

October 8th Speaker

Samantha Scott is a principled conservative, a lifelong Sumter County resident, and a proven leader who gets things done. The daughter of a U.S. Navy veteran and the proud mother of a first responder, Samantha's commitment to service runs deep – rooted in faith, family, and love of country. She now serves the people of Sumter and Hernando counties as their State Representative in the Florida House, bringing hometown values and a tireless work ethic to Tallahassee.

For more than two decades, Samantha has been a successful business leader, job creator, and community advocate. She made history as the youngest Executive Director of the Sumter County Chamber of Commerce, where she doubled membership and tripled sponsorship revenue. She has since built a thriving career in real estate – earning recognition as a multi-million dollar producer – and currently manages marketing for her family's business, Mike Scott Plumbing. Her business background gives her a firsthand understanding of the challenges local families, entrepreneurs, and job creators face.

A trusted ally of President Donald J. Trump and Governor Ron DeSantis, Samantha has worked closely with Florida's top conservative leaders to defend freedom and uphold traditional values. Governor DeSantis appointed her to the Lake-Sumter State College Board of Trustees, and she proudly served as a Florida delegate to the 2024 Republican National Convention, casting her vote to nominate President Trump. As Chairman of the Sumter County Republican Executive Committee, Samantha led the county to record-breaking turnout in back-to-back elections – for both Governor DeSantis and President Trump. In addition to leading the Sumter County GOP, she chairs the Republican Party of Florida's Moms Coalition and is on her second term as Vice Chair of the Congressional District 11 Caucus. Through these roles, she's helping advance a bold, unapologetic conservative agenda across the state.

From her time leading countywide tourism efforts to serving as a member of organizations like the Sumter Youth Center, Farm Bureau, and the Sumter County Fair Association, Samantha's record of service reflects a deep love for her community. She understands the unique needs of both rural and growing communities across District 52, and she's ready to be a strong voice for them in Tallahassee. Samantha and her husband Shawn live in Bushnell. They are blessed with five children and two grandchildren.

Samantha brings her energy, experience, and conservative principles to Tallahassee every day—fighting for local families, defending constitutional freedoms, and ensuring the values of District 52 are represented in the Florida House.

The Alan Madden Foundation is dedicated to supporting youth of all ages transitioning in and out of foster care, especially those who have experienced abuse, trafficking, or neglect.

Learn more about the Alan Madden Foundation here:
https://alanmaddenfoundation.com

FFRW has adopted the Alan Madden Foundation as the state Caring for America project, and statewide clubs can make donations through December 10. A delegation from FFRW will make a site visit the following week.

Please keep the AMF kids and staff in your prayers as they navigate the system for enhancing their foster license, making sure the young people have strong homes, and trusting God with the precious lives in their hands.
