

Heart Aspiration to the Emanation Line

Kuntuzangpo and Kuntuzangmo,
1000 Buddhas of this fortunate aeon,
With all the marks and signs,
Great wisdom,
Great compassion,
Great power,
All the innumerable emanations,
And world system universal terms,

Kukkuripa, wild yogi of crazy wisdom, your dog a secret dakini consort,
The unceasing display of your compassion
For the benefit of us spinning wanderers

The Omniscient Buddha from Dolpo, Sherab Gyaltzen,
Creator of the Great Liberating Stupa of Jonang,

Guru Rinpoche's mind emanation
The Madman Thangtong Gyalpo, named by 5 dakinis,
Savior of Sakya and King of the Vast Open Valley,

Rinchen Norbu,
That crazy western jewel, Richard,
Secret Mantra Warrior of the Dzong that holds the two paths of Do and Ngak,
Karma Yeshe Namgyal Dorje Rinpoche,

This lineage of incarnations and emanations,
All the dakinis, wermas, and dralas,
All the guardians and helpers, all the oath bound and all under the command,
Fulfill my aspirations and bless my mind that I may realize the mandala of the son, Great
Bliss!

May the elements be balanced and auspicious!
May phenomena, even corpses, be seen as the Guru's blessings!
May I recognize my faults and abandon them!
May I be a conduit for the benefit of all sentient beings!
May all obstacles be annihilated!
May the sun of realization dawn!
