

Spring 2019

Greetings Community Supporter:

We are excited to announce the 5th Annual Sassabration event, taking place on Saturday July 13, 2019 from 12pm to 8pm, at 1500 Old Hot Springs Road, and we would like to invite you to become an important event sponsor. Since our inception in 2015, Sassabration has become a well-known event in Carson City and surrounding Northern Nevada communities, but we want to get bigger and better in 2019 –and we need your help!

Our mission is to support equality, diversity and community by hosting this annual fundraiser for local organizations that support the LGBTQ community. It is a family friendly event featuring live music, performance artists, food and vendors. Since 2015, we have raised more than \$12,000 for local charitable organizations. Our goal this year is to raise even more much-needed funds which will benefit the following organizations: PFLAG Carson Region, The Ron Wood Family Resource Center and TAG (Transgender Allies Group).

Through their mission of support, education and advocacy, PFLAG works to make sure the LGBTQ community, and their families, are safe and secure wherever they live, work, study or worship. The goal of the Ron Wood Family Resource Center is to create a lasting community wide cooperative effort between the private sector and governmental agencies to promote healthy family relationships through education and support services. TAG is a network of allies providing education, resources, counseling, advocacy and support of transgender individuals and families, in order to insure equality, integration, and an exceptional quality of life for all transgender people.

We can't meet our goal without you. Would you consider donating an item for our silent auction or becoming a sponsor? Your generous and tax-deductible support will help us meet, or even exceed, our fundraising goal. We look forward to hearing from you.

Thank you for taking the time to consider our request and thanks so much for your generous support!
