Fresh 48 Photo Session Info:

Fresh 48 photography is a special session for those new families who want the first few hours of their newborn's life captured. Your baby will be changing so fast – hour to hour, day to day. Capture those first milestones

Digital only package \$250.00

Newborn Photo Session Info:

The ideal timeframe for the Newborn Photo Session is between Birth & 2 weeks old. Please stay in touch and keep us up to date on your due date so that we can organise a suitable time and location for your new Family's Photo Session. This is not a traditional newborn session; i will not pose the baby or bring props or lights.This will just be us capturing your baby's sweet new moments with family in a fresh natural way!

Digital only package \$250.00

Baby to Bump Package Info:

Includes the three photo session above, all digitals and a 20" x 24" or 20" x 20" collage frame for \$770.00

NB: We will do our best to Capture the special moments during Pregancy & the arrival of your Bundle of Joy. We ask that you stay in touch and let us know of any issues/problems that may arise that prevents the Photo Shoot taking place during the ideal time frame/s. If this occurs, we will work with you to deliver the best result considering the circumstances. Above all, enjoy these moments, as they will fly by oh so quickly!
