OUR MASON ENTERPRISE PARTNERSHIP JOINT VENTURES

Co-Founded and Managed by a
descendant of Albert Einstein
and Yup'ik Alaska Native

Indigenuity represents the fusion of *indigenous knowledge*—deep, place-based wisdom rooted in culture and history—with *ingenious innovation*—creative, adaptive problem-solving that produces new solutions. It captures the idea that true innovation can emerge by combining ancestral insight with modern ingenuity.

WHAT WE **PROVIDE** ?

Our combined focus is to accelerate innovation by building American AI infrastructure and establishing a powerful technology corridor that integrates AI, high-performance computing, quantum technologies, and experimental facilities. This ecosystem enables rapid advancement in energy, national security, and discovery science by seamlessly translating research into real-world impact for government. We are located at the Fuse at Mason Square, Arlington, VA.
