## ALLOTMENTS AND EXTRA TICKETS

We felt the need to make the allotment 5 tickets because in one of the shows there wouldn't be enough seats if everyone took six seats. We reviewed the history of customers that have been with us and we anticipate having enough for extra requested seats as not everyone takes their full allotment and many take much less but we have to remain on the safe side. In the past we tried taking a survey but the results were completely different than what people eventually ordered. It is our hope that everyone gets all the tickets they need. We may have to consider changing the limit on extra tickets if it becomes apparent we do not have enough to meet all requests. We could have just allowed initial purchase to not include how many extra tickets you would like and then do the math to determine the amount of tickets remaining to set a maximum number for extras but then your extra tickets would most likely not be seated all together.

Everyone will be sent a link to an order form according to your show assignments, show 1,2 or 3. If you are assigned to more than one show you will need to submit a form for each show you are assigned.

**The order forms will be activated on or about May 3rd** . The deadline to submit your form is Thursday May 23<sup>rd</sup> at 11:00 PM

On the form you will be getting there will be an **option to choose** how many tickets from **original allotment up to 5 tickets**. There will *also be a choice on the same form of how many extra tickets you are requesting* up to 4 extra for a total of nine including your allotment *if we are able to fill all requests*.

When we get to the ticket deadline date we will be able to do the math in order to determine any limitations, if any, that we may have. All your tickets would be in same envelope seated together unless you request your seats to be separated.

## SPECIAL NEEDS

If you need a handicapped space for a wheel chair you must let us know when placing your ticket order. Please also indicate how many of your seats you would like to be next to and/or in front of the wheel chair.

**Please Note:** Wheelchair Spaces are only within the last row.

## WHO NEEDS TO PURCHASE A TICKET

Children age 2 and over will need their own seat. We do not require Moms or female guardians of performers to purchase tickets if you are planning on being with your children in their designated area, most likely the gym during the show or shows. Only one female individual per student will be permitted in the gym. Wrist bands will be given out to the person that will be helping in the gym.

**PLEASE NOTE:** You are permitted to bring guests to dress rehearsals if you have anyone that cannot attend the show or if you were looking to save money on ticket purchases.

We do not charge admission to dress rehearsals.

## CLASS MOMS

**Unless you choose to purchase a ticket you will not have a seat in the auditorium.** You will be allowed in the auditorium to view **only your child's dance** or dances from the right OR left sides. We will be alternating from one side to the other for each dance to avoid mayhem and keep it orderly. The moms needing to view their children will be lined up to enter on the odd seats side for odd numbered dances and the even side for even dances.

If you want to view from a seat in the auditorium, you must purchase a seating ticket. (seating tickets are \$22.00 each)

**PLEASE NOTE:** We plan to have screens set up to view the shows live in the gym. We also ask for at least 1 Mom or female guardian volunteer to remain at their class table until the last child is picked up at the end of your show.

This is especially needed for classes of young ages.

## SEPARATING YOUR SEATING ALLOTMENT

If you need to split your tickets (not be seated together) because of personal reasons you can choose to do that but must let us know prior to the order form closing on May 23rd at 11:00 PM. Once we choose seats it would be too late if you neglected to let us know.

The tickets will be different but in the same envelope for you to handle the way you wish.

## OUR RANDOM PROCESS

The system is a completely random process. You can be the first person to choose an envelope and get seats in the last row or even be the last person to choose their envelope and get the front row. It also makes no difference how many seats you purchase, you would have the same chance to sit anywhere whether you buy one ticket or are able receive 9 tickets and all your seats can be seated together unless you choose to separate them.

We will then begin our process of first determining that there are enough seats for everyone to have all the extra tickets requested. We do feel hopeful that although we are setting the allotment at 5 tickets for each show that requests for extra tickets will be honored.

## DISTRIBUTION

Tickets orders will be placed in sealed envelopes which will have a printed label # on the front. The # on the label will indicate how many tickets are in the envelope.

Beginning June 15th we will begin letting you choose ticket envelopes during your regularly scheduled classes. You will choose an envelope that corresponds with the total amount of tickets you are receiving up to 9 if that is how many you get. You must open the envelope at the desk in the presence of a Dance Elite staff person to have your tickets validated so we can log your seats.

**All balances** for this 2018-19 session **MUST** be paid by June 15th including June tuition to receive your tickets.

## ASSIGNED TO MORE THAN ONE SHOW FOR TICKETS

If you are assigned to more than one show because all of your children's dances are not in one show you will need to submit a separate form for each of the shows you are assigned to, *we are sorry for that.*

You receive complimentary tickets to your additional show up to the amount purchased for your first show not exceeding the original allotment of 5 tickets.

## VALIDATING TICKETS & LOST TICKETS

All ticket envelopes must be opened at the desk in the presence of a Dance Elite staff person in order for us to validate and log the seats you have received. Doing this also allows us to find any errors although it is unlikely given the time we spend preparing.

If you do not open the envelope as described above you will not be eligible for a [golden ticket](#) or other prizes and we will be **unable to replace any lost tickets**. In addition to tickets not validated, if there was a double ticket error made, the seats would have to go to the customer who validated their tickets. While we do take many precautions we are human and mistakes can be made.

## CHANGING OR CANCELING YOUR ORDER AND THE AMENDED TICKET ORDER FORM

No changing or canceling orders after the submission deadline of May 23rd at 11:00 PM *sorry no exceptions*. There will be an amended form so you can change your order until the submission deadline. The amended ticket order form will be available by request only . If you request an amended form we will send you the link and the amended form is the same submission date of the original, May 23rd at 11:00 PM. You are responsible for full payment of your final ticket order submitted.

## TICKET PAYMENTS

You are responsible to pay for all tickets requested on your order form including extra tickets. There are no refunds for tickets. If we are unable to fulfill any extra ticket requests obviously you would not have to pay for tickets we cannot provide.

## GOLDEN TICKETS/OTHER PRIZES

We will put a golden ticket in one envelope in each of the three shows

Each golden ticket will have a studio value of \$200.00.

There will also be coupons placed randomly in many ticket envelopes for FREE RECITAL TEE SHIRTS.

## ORDERS PLACED AFTER DEADLINE

We will most likely not be able to fulfill or change orders placed after the deadline until we have completed filling in the seats with orders placed within the dates specified but we do want to know in the event it is not too late we would try to change your order.

The reason for that is because we fill in all the rows so there are no empty seats using the list of numbers that are ordered on the order forms. We cannot erase seats off the chart once they are placed to fit in new orders or create empty seats because you cancel after the deadline.
