PROFILE

Seeking an opportunity to work with an animation studio as a Storyboard Artist using my technical proficiency in various Adobe softwares and Digital Illustration. I aim to expand my knowledge and experience in this field as well as offer potentially new and unique ideas for the company.

VISUAL DEVELOPMENT AND ILLUSTRATION PROJECTS

Concept Artist Intern at Apostle Digital, Sydney

January 2022 — April 2022

- Created various character designs for an upcoming TV show with Apostle Digital
- Created fully rendered illustrations of characters for an upcoming TV show
- Illustrated alternate designs for background characters
- Pitched additional ideas and concepts for character traits and functions

Concept Artist at Ringling College of Art and Design, Sarasota

August 2018 — May 2021

- Created a set of character and environment designs for various projects, animatics, and digital artwork
- Created geometry, textures, and materials for use in compositing
- Used HDR Photography to light probe environments
- Lit and rendered still and motion imagery using image based lighting and Mental Ray renderer

Story Development/Character Designer at Ringling College of Art and Design, Sarasota

August 2018 — May 2021

- Outlined and executed unique story concepts to be used in film
- Modeled in ZBrush to create a 3D render of 2D character designs
- Collaborated with design team of five to verify narrative and key story elements through visual representation
- Operated in MAYA to utilize the 3D environment for Animatic(s)
- Created storyboards and animatics to illustrate ideas for storyline

Illustrator/Freelance Artist at Ringling College of Art and Design, Sarasota & Cape Coral

August 2018 — Present

- Created caricatures of well-known figures, recreated a children's book with a different style and personalized characters, and created unique book covers
- Produced thumbnails, value and color studies of various ideas prior to completion
- Created an original children's book story, characters, pages and cover; in process to be published
- Illustrated a children's book for a client that will be sold with one of their products
- Designed and illustrated an original book cover for a client's upcoming book
- Wrote and Illustrated a short graphic novel with an original story, characters, and art style.
