

Our History

Rolling Oaks Ranch, LLC.

Rolling Oaks Ranch has been breeding and training horses since 2011. In 2018 we rescued and raised an orphaned foal and realized our passion for rescuing orphaned nurse mare foals. That year, two orphaned foals were rescued, raised, and found good homes. Those two orphaned foals inspired a dream and in 2019, that dream was born. Rolling Oaks Ranch LLC became a fully functioning horse ranch. Each year many foals are born and neglected due to the mare's death, the mare not being able to produce milk, or the mare rejecting their foal. These circumstances are why a foal rescue farm is crucial. Rolling Oaks Ranch LLC rescued and rehomed 30 foals during the first year. During the second year, the farm rescued over 50 foals. All of these foals have been adopted into loving homes.
