

DAFFODIL PUBLIC SCHOOL

PREM COLONY, BAWANA ROAD, NARELA, DELHI-110040

SUMMER *Holidays*

CLASS - XII

Laying the foundation of excellence

DAFFODIL PUBLIC SCHOOL
Summer Holidays Homework (2025-26)
Class – 12th

Dear Parents and Students,

Summer vacation is around the corner, bringing with itself a much-needed respite from hectic school days. We hope that you will thoroughly enjoy the vacations and make the most of this summer. While it is indeed important that you relax and refresh yourselves, it is also important that you exercise your minds. Keeping this in mind, we have designed various exciting home work activities to keep the students engaged and active during the summer vacation. These fun projects/ assignments would enhance learning skills, help understand concepts better, and make for a great crash course aimed at improving academic output. These activities will not only help you to revise what was taught, but will also enrich your knowledge. These projects will be assessed as Subject Enrichment Activity, Portfolio or Art Integrated activity. We encourage parents to motivate and support the students to ensure the given work is completed in time, to the best of their ability. Your support and encouragement both have a huge impact on your child's learning ability.

WISHING YOU A FUN FILLED , SAFE SUMMER VACATIONS

General Instructions:

- *Make one separate copy for Homework. Do all work neat & clean.*
- *Follow a schedule during holidays.*
- *Be a good time manager.*
- *Read newspapers daily and stay updated with current affairs.*
- *Do the homework independently, only ask for assistance from your parents or guardians.*
- *Give time to pursue your hobby.*
- *Appreciate nature and go for "Nature Walks", plant trees and spread the message of Nature Conservation".*
- *Remember to have a wide mouth container filled with water outside your house for the birds to get respite from the scorching heat.*
- *Pray to almighty daily and thank for the blissful life that you enjoy.*
- *Be a helping hand to your parents and learn the skill of shared responsibility. Do the work by following the guidelines given with each work or activity.*
- *Spend time with your parents and grandparents, their rich experience will help you overcome challenges with ease.*
- *Minimise use of gadgets & practice digital detox.*
- *Water the plants and rejoice the beauty of nature.*
- *Do yoga daily and eat healthy food.*

As you know that 21st June is celebrated as International Yoga Day so all the students will perform Yoga on 21st June.

Summer break will begin on 19th May 2025 (Monday) and school will be reopen on 1st July 2025 (Tuesday).

 - Study of Faraday's low and building simple AC generator.
 - Demonstration of photoelectric effect using a simple setup.
 - Determination of sefracline index of liquids using a laser or studying TIB using optical fiber. Front of portfolio must be attractive & creative cover
- Make 20 Questions from ch-1,2, 3 and write there answer in a Separate notebook.

Biology

- Complete notes of Chapter 1,2,3
- Complete your investigatory project which you have already allotted
 - Project file Contain
 - Certificate
 - Acknowledgment
 - Introduction
 - Theory
 - Content
 - conclusion
 - bibliography
- Draw labeled diagram.
 - L- 5 of an Embryo of grass
 - Structure of some seeds
 - False fruits of apple be strawberry.
 - Diagrammatic view of male reproduction system
 - A diagrammatic sectional view of female reproduction system
 - A diagrammatic sectional view of Mammary gland
 - Structure of a sperm
 - Schematic representation of spermatogenesis & oogenesis.
 - A typical dicot embryo
 - Stages in embryo development in a dicot
 - Fertilized embryo sac showing zygote & Primary Endosperm Nucleus (PEN)
- Discharge of male gametes into a synergic & the movements of the sperms, one into the egg & the other into the central cell.
- Enlarged view of an egg apparatus, showing entry of a pollen tube into a synergic.
- A diagrammatic representation of mature embryo sac.
- 2,4 & 8 - nucleate stage of embryo sac & a mature embryo sac.

Parts of the ovule showing a large megaspore mother cell, a dyad & a tetrad of mega spores

Chemistry

- Complete your investigatory project which you have been already allotted.
- Project file should contain pages in following order
 - Certificate
 - Acknowledgement
 - Aim of Project
 - Introduction
 - Theory
 - Apparatus Required
 - Procedure
 - Observation
 - Conclusion
 - Precaution
 - Bibliography
- Make a list of all the named reactions in chapter 10 and 11 write them in your assignment register .
- Do and 20 Extra Q/Ans of Ch- solution and D & Block in Note Book.
- List five distinguish test with Example Studied till yet.
